The screenshot shows the Pearson VUE ICAEW dashboard. At the top, there is a navigation bar with the Pearson VUE logo and links for 'Take a test' and 'Partner with us'. Below this, a breadcrumb trail reads 'Home > Test-taker home > ICAEW'. A prominent red warning box on the left side of the dashboard is titled 'COVID-19 (Coronavirus) situation:' and contains text about testing candidates and appointment availability. The main content area is titled 'Dashboard' and features a 'Schedule an exam' section with a list of 'Pre-approved Exams': 'KAS: Assurance' (highlighted with a red box), 'KBF: Business, Technology and Finance', 'KLW: Law', and 'KTX: Principles of Taxation'. To the right of the exam list is a 'My Account' section with links for 'My Profile', 'Preferences', 'Exam History', and 'My Receipts'. Below the exam list, there is a section for 'View an upcoming test centre appointment' which states 'You do not have any appointments scheduled.' On the left side of the dashboard, there is a sidebar with a navigation menu and a section titled 'ACA Certificate Level and ICAEW CFAB Modules' containing a 'PLEASE NOTE:' section with information about exam results and a link to the 'ACA planner'. At the bottom of the dashboard, there is a section titled 'Important information about your exam appointment' with details about the 90-minute exam and the need to arrive 15 minutes early.

You will continue to access your exam results via the Examinations tab of your online training file at [www.icaew.com/trainingfile](http://www.icaew.com/trainingfile). ### ICAEW policies

### Terms and Conditions

#### Important test delivery information pertaining to COVID-19 (coronavirus):

Please review the specific health conditions and testing requirements for your country on our [Coronavirus Update page](#) before your exam appointment. By scheduling your test appointment, you agree to comply with these requirements. You will be asked to acknowledge these conditions and requirements upon arrival at the test centre. You are required to bring and wear a face mask while at the test centre and while taking your exam. Candidates without a face mask will be denied testing services. You must briefly remove your mask during the check-in process. If you refuse to wear a face mask or if you are sick or you have been in contact with an ill person, do not go to the test centre — please reschedule your exam online for a later date.

### Admission Policy

We ask that you arrive at the test centre 15 minutes before your scheduled appointment time. This will give you adequate time to complete the necessary sign-in procedures. If you arrive more than 15 minutes late for your exam and are refused admission, your exam fee will not be refunded.

Please be prepared to show two (2) forms of personal ID. Both must have your signature, and one of the two must have your photo. Be sure to view the full ID policy via the ID Requirements links provided on the Pearson VUE website ([www.pearsonvue.com/icaew](http://www.pearsonvue.com/icaew)).

You will be asked to sign an electronic signature pad, after being given the opportunity to read the ICAEW Candidate Rules. Your digital signature will be stored to document that you agree to adhere to those rules.

The Test Administrator will also take a digital photo of you, as part of the check-in process, for increased security and prevention of fraud.

The invigilator will compare your signature and photo with your ID and any previous exam admissions data. All student data will be securely stored and protected by Pearson VUE in line with GDPR.

Please note you will be required to take your own calculator to the exam, from an approved list. View the list at [icaew.com/calculators](http://icaew.com/calculators)

Except for your ID and your calculator, you will not be allowed to take any personal items with you into the testing room. This includes all bags, books, notes, cell phones, pagers, watches and wallets. Comfort aids are permitted and do not require prior approval (but will be visually inspected during the check-in process). You can see a list of approved comfort aids at <https://home.pearsonvue.com/test-taker/Test-accommodations/Comfort-aids.aspx>

### Re-schedule Policy

To reschedule your exam appointment (ie to change your appointment to a different date, time or location), you must do so at least 24 hours before your current scheduled appointment start time; please visit <https://my.icaew.com/security/?returnUrl=https://access.icaew.com/pearsonvue>

If your exam appointment was booked by a test centre which is run by your ICAEW tuition provider, please ensure that you contact them directly, as their reschedule policy may differ.

#### Important information relating to COVID-19 (Coronavirus):

If you are unwell or exhibiting symptoms, such as fever and/or respiratory difficulties, please reschedule your appointment in advance. If the reschedule policy prevents you from doing so (ie if you are attempting to make changes with less than 24 hours' notice), call Pearson VUE Customer Service [see contact details at [www.pearsonvue.com/icaew/contact/](http://www.pearsonvue.com/icaew/contact/)] or speak to your training provider. If you attend and the test centre staff observe that you are exhibiting flu-like symptoms, you may not be permitted to test and you will be asked to reschedule to a later date.

For more information and advice see our update page at <https://home.pearsonvue.com/coronavirus-update>

### Cancellation Policy

To cancel your exam appointment at a Pearson VUE test centre and receive a full refund of any exam fee you paid at the time of booking, you must do so at least 24 hours before your scheduled appointment start time; please log in via the ICAEW website <https://my.icaew.com/security/?returnUrl=https://access.icaew.com/pearsonvue> with your ICAEW username and password. Otherwise, your exam fee is not refundable. If you originally booked and paid for your appointment more than 3 months ago, you may not be able to cancel online and may need to contact Pearson VUE Customer Services by phone during UK business hours [see contact details at <http://www.pearsonvue.com/icaew/contact/>]. If your exam appointment was booked by a test centre which is run by your ICAEW tuition provider, please ensure that you contact them directly, as their cancellation policy may differ.

#### Important information relating to COVID-19 (Coronavirus):

During the current outbreak, test centres may decide to take precautionary measures (sometimes at short notice) and may temporarily cease testing. If your test appointment cannot go ahead (for any reason), you will receive an automated cancellation notice by email (if you paid a fee to book your test you will receive a full refund). Unless you receive a cancellation email, you can assume that your appointment will proceed as scheduled. If you are concerned and wish to cancel or postpone your appointment, you may do so in advance. If the cancellation policy prevents you from cancelling (ie if you are attempting to cancel with less than 24 hours' notice), call Pearson VUE Customer Service [see contact details at [www.pearsonvue.com/icaew/contact/](http://www.pearsonvue.com/icaew/contact/)] or speak to your training provider.

For more information and advice see our update page at <https://home.pearsonvue.com/coronavirus-update>

### Additional Information

If you are late for your exam appointment or you feel that you are unable to sit your exam, for any reason, ICAEW would not class this as one of your exam attempts and you will not receive an absent result on your ICAEW exam record. Note, however, that your exam fee would not be refundable. Please refer to the cancellation policy and contact a [Pearson VUE customer services agent](#) if you have questions about this.

In case of a failure to deliver the exam, Pearson VUE will not be held responsible for expenses you incur beyond the cost of the exam, including but not limited to travel expenses and lost wages on the day of the exam.

Pearson VUE's goal is to make your testing experience a pleasant one. We thank you for selecting Pearson VUE as your testing service provider, and look forward to serving you again. Please feel free to contact us with your comments or questions.

#### ICAEW Exam Terms & Conditions

By attending your scheduled exam appointment, it is implied that you accept and agree to follow the candidate rules that will be presented to you at the Pearson VUE test centre, and to follow instructions given to you by the test centre staff. You must also ensure that you have read and understood the ICAEW exam terms & conditions, which can be found at [www.pearsonvue.com/icaew](http://www.pearsonvue.com/icaew)

#### CPL

If you have applied for credit for prior learning (CPL), please check your training file via the ICAEW website and review the status of your CPL application:

- If you have been awarded CPL you should not sit the exam.
- If you proceed with the exam having been awarded CPL and subsequently fail the exam, the CPL credit will be removed, as you will no longer be eligible, and a refund cannot be provided.
- If you have been awarded CPL you may cancel your exam and, if you provide at least 24 hours' notice, you will receive a refund for the exam fee.

#### Results

You can normally access your results 24 hours after completing the assessment by logging into your student page on the ICAEW website <https://www.icaew.com> and going to your 'Exam Results History'. If you have any queries regarding your assessment result, please contact the ICAEW Student Support team at [studentsupport@icaew.com](mailto:studentsupport@icaew.com) or +44(0)1908 248250.

#### Special Consideration

When you enter into and begin your assessment, you are confirming that you are in a fit state to sit the exam.

Should an incident occur during an exam which you believe affected your performance, you may be able to apply for special consideration.

You can make an application for special consideration by emailing [specialconsideration@icaew.com](mailto:specialconsideration@icaew.com), with any supporting evidence, within 10 days of your exam.

Please ensure that you log any incidents with your exam invigilator, as this may be used as evidence.

**Important:** Please note, if you are due to receive your Certificate Level/ ICAEW CFAB exam results on the same day the ACA Professional or Advanced Level exams results are released, you will receive your results at the slightly later time of approximately 12:00pm (UK-time). You will continue to access your exam results via the Examinations tab of your online training file at [www.icaew.com/trainingfile](http://www.icaew.com/trainingfile). View all Professional and Advanced Level exam results dates within the [ACA planner](#) or the exam section of the [ICAEW website](#).
